

2025 Strategic Plan

Key Objectives

Three strategic priorities drive 2025 planning: revenue growth through APAC expansion, product depth via Delta Cloud GA, and operational efficiency through ISO 27001 certification.

- Grow ARR to USD 760k by Q4
- Launch Delta Cloud in APAC by Q2
- Achieve ISO 27001 by Q3
- Reduce COGS by 8% through automation

Risk Register

Top risks identified for the planning period, ranked by likelihood × impact.

Risk	Likelihood	Impact	Mitigation
APAC regulatory delay	Medium	High	Pre-engage local counsel Q1
Key engineer attrition	Low	High	Retention bonus pool approved
Cloud cost overrun	High	Medium	Monthly FinOps review cadence
Competitor price drop	Medium	Medium	Accelerate feature roadmap
